New Block of Month

We are pleased to announce a new block of the month program starting July 7, 2008.

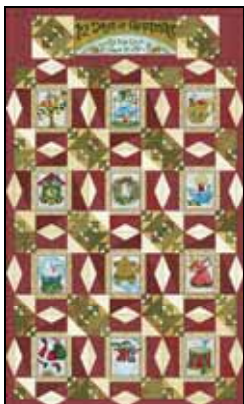

This new BOM is to be called ***“Block of Many Colors III”***. It follows in the footsteps of our previously very successful Block of Many Colors I & II programs.

The Block of Many Colors III uses a main focus fabric in the center of each block that helps pull together the other sixteen fabrics used in the blocks. The color palette for the Block of Many Color III coordinates the main focus fabric's colors of salmon, gold, green, cranberry & deep purple.

This Block of the Month differs from its predecessors as the blocks are designed to fit together without sashing, creating a secondary, small star block where the 16” blocks' corners meet.

Christmas Block of the Month

It's not too late, this BOM started in May but we still have openings available.

The purpose of this five month BOM is to end with enough time for you to finish your beautiful quilt by the holidays!

We are basing the BOM on the beautiful and much-called-for Nancy Halvorsen's "12 Days of Christmas" panel by Benartex, shown at the left. The setting will be a [Raggedy Ruth Design](#) original. See shop or web for the actual BOM and details. Sign-up in person now!

Long Arm Drawing

Congratulations **Ruby Logan** for being drawn as our bi-monthly Long Arm 20% off Coupon winner. As part of our news-
letter publishing, we draw a name from our Long-Arm appointment calendar. Eligible entries include anyone who
scheduled & kept a quilt check-in appointment during the prior two months.

Open Every Day – Except These...

- Sat – Mon August 30 – Sept 1 for Labor Day.
