**New Block of the Month**

Forever In Stitches is pleased to announce the *Double Dollar A Duo* “block of the month” program. With this program you will be making two identical blocks each month.

This sampler-style quilt is on display in our shop now. This full example was completed in the “violet” color scheme. Two blocks of each of the other two color schemes [“Autumn” and “Kid’s Brights”] are also on display.

To insure enough fabric is available we must limit this *Double Dollar A Duo* block of the month club to 20 people per color wave.

Rules:

- You must pick up your block in person.

- Only one membership per customer.
- The program begins Saturday, November 20, 2004 9:00 a.m. on a first-come basis.
- The program ends April 2005.
- Each month you pay only \$2 for the blocks' pattern and fabric packet to create the two blocks.
- You do not have to complete the previous month's blocks to pick up the next month's.
- Blocks can be picked up any day starting the 20<sup>th</sup> to the end of month.
- If you miss this period to pick up your blocks, they will be reserved for **you** to pick up later; however, you must pay the full retail price of \$4.00.

There will be **no** exceptions to these rules ☺

## Thimbleberries Quilt Club 2005

*Forever In Stitches* is pleased to announce our participation in the 2005 Thimble-berries Quilt Club. The monthly blocks of the club create two quilts *Sunrise* [62" x 76"] and *Sunset* [60" x 60"] based on their beautiful floral *Circle of Love* fabric collection.

The patterns for both of these quilts are only available to *Thimbleberries Quilt Club 2005* members. Only 20 more memberships are available. Reserve your membership today ☺

## New Classes

**Winter's Magic Sweater** – Just in time to wear all winter long, create this wearable work of art with machine appliqué. The project will be made using a basic sweatshirt instead of constructing a jacket from scratch as the pattern describes.

**Radiant (Lone) Star** – Learn the techniques involved in creating a Lone Star quilt. Eleanor Burn's *Radiant Star* booklet is used.

**In a Bind** – Add that finishing touch. Learn all about binding. From calculating yardage needed, to cutting straight and bias binding, attaching it to the quilt with mitered corners and hand sewing the reverse.

**Woolly Penny Rug** – Learn the techniques involved in working with wool to create this 24" x 18" project ☺
