Long-Arm Services Changes

In order to better control the backlog, scheduling, and constancy of information required for registering quilts for our long-arm services, we have implemented some new changes.

Only Ruth Grihalva will be signing up quilts, so please call ahead and make sure that she is available on the day/time you wish to bring in your quilt.

The quilt must be brought for measurement and planning discussion at that time in order to be assigned a position in the queue.

New square inch pricing has been instituted:

Number of Designs Price

1 – Edge To Edge	\$.01
2-3	\$.015
4-5	\$.02
6 or more	\$.03 minimum ☺

Holiday Sock Challenge

The Holiday Socks are on display. Come by and vote for your favorite until Saturday, December 11th at 9:00 p.m. The two winners will be announced on Monday, December 13th ☺

New Web Page

Visit our new web-site at www.fisllc.com or www.ForeverInStitches.com for the new look, organization, and our on-line store. This change is being made to simplify maintenance and to provide the basis for our on-line store that is currently under construction ☺

We Want Your Opinions

During December we will be sending questionnaires to our clients to ascertain how we have been serving your needs. This feedback is important to us and will be appreciated ☺
